## Clarifications on Shop Drawing

1. All window and door profile inner and outer color: White-oak-look finishing for inner profile; powder coated dark coffee for outer profile.
2. Dimensions illustrated on this shop drawing are finishing sizes of windows and doors.
3. Barrier-free doorsill is for hinged door bottom frame. Refer to Section drawing for Barrier-free doorsill type.
4. Silicon seal is applied on both inside and outside of glazing edges.
5. Screen sashes are applied on all windows and doors and the screen is made of grey glass-fiber mesh (18 x 16 mesh screen and display sample number 4).
6. Exposed surface color of hardware for all windows are gloss silver. Exposed surface color of hardware for hinged door is silver too. Decorative handles (could not turn) are applied on the passive panels. Lock cylinder for hinged door is with key outside and with turn-button inside. The hinged door is with three-point lock. Refer to Section drawing for details.
